Please note, in the magazine
two apples were named incorrectly.
This is proper.

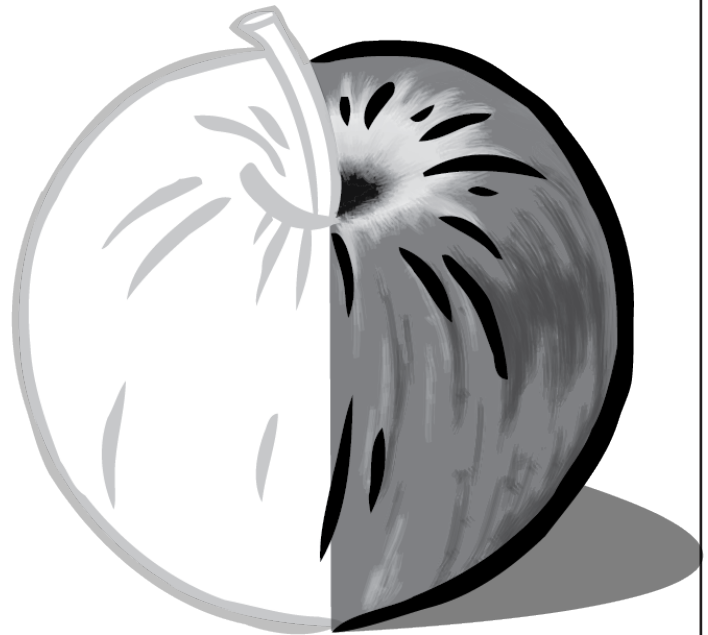

PACIFIC CRABAPPLE

Pacific Crabapple grows
along the coast of British
Columbia. ®

2 SNOW APPLE

The earliest named Quebec apple, sometimes
called Pomme de Neige (or Snow Apple),
was grown as early as 1700. It is best
known for its crisp, juicy, white flesh,
sometimes threaded with red.

SWEET CRAB APPLE

3

Sweet Crabapple, or Garland
Crab, is found only in
southern Ontario.
