

In this issue, we are zooming into the neighbourhood of **EZE VALLEY!** Here you'll find orchards, McMelon Elementary, a roadside market, and a farm with space animals!

EZE VALLEY

Class on Time

by Victoria
Age 11

I've pushed and
Pulled people
Please know that
I'm probably still
Going to do it
And you probably think
I'm a bad person
But I'm not
I just like
Pushing people
And I need to
Get to class on time
Please **forgive me**
That people walk
So slow and
I push them
but I try to stop
They just walk **too slow**

Watch Out!

Watch out at night,
cause zombies can give you a fright.
Slowly **walking around**,
making lots of sound.
Zombies are around every corner.

Being turned into a zombie
made many a mourner.
Their **eyes rolled** back.
You never know
when they could
attack.

Watch out for a
zombie,
or a zombie **you**
might be.
